

Intent, implementation and impact - Audit

Add your school subjects to the left hand columns, then give each subject a rating by either using the key to colour the box, or by circling the relevant rating. Use the "Because" sections to justify your choice of rating and the 'Next steps' for areas which need development, detailing actions to be taken.

	Needs improvement (N)		Adequate (A)		Good (G)
--	-----------------------	--	--------------	--	----------

Subject	Intent	Implementation	Impact	Next steps:
Art and design	N A G	N A G	N A G	
	Because...	Because...	Because...	
Design and technology	N A G	N A G	N A G	
	Because...	Because...	Because...	
Computing	N A G	N A G	N A G	
	Because...	Because...	Because...	

Subject	Intent	Implementation	Impact	Next steps:
