## Knowledge catcher: Comparing animals

Draw an animal and label its body parts.

Tick the group it belongs to:

mammal

bird

reptile

amphibian

fish

1 How is it **similar** to other animals in the same group?

---

---

2 How is it **different** to other animals in the same group?

---

---

3 Is it a **carnivore, herbivore** or **omnivore**? What food does it eat?

---

---
