

Knowledge catcher: What happens when we die? (Part 2)

Write words, phrases and sentences or draw illustrations in the space below to show your ideas about what **enlightenment** can mean.

1

Why might some people believe that people experience more than one life?

2

What could happen if you were able to experience more than one life?

3

How might someone explain reincarnation?

4

What do some people believe happens when a person reaches enlightenment?
