

# LKS2 - How did the achievements of the Ancient Maya impact their society and beyond?

Imagine you are a historian. You have been invited on national television to share the story of the ancient Maya and their achievements. You can choose to record the information as a presentation, use audio, write a report or create a poster. You must include the following:

- Some of the achievements of the ancient Maya including their buildings, farming techniques and inventions.
- The knowledge they shared, including their beliefs.
- How their achievements impacted the Maya society.
- How their achievements impacted the wider world.
